

Social Enterprise Workshop

Turn your passion for community into a viable sustainable business.

Greater Shepparton City Council and La Trobe University will deliver a practical workshop on how to use business strategies to achieve social purpose.

Come along to this introductory workshop to explore and test ideas for social innovation in a supportive environment.

Be inspired by a panel of local businesses that are currently operating in the Social Enterprise space.

Wednesday 14 November

La Trobe University
210 Fryers Street Shepparton

6.00pm - 8.00pm
